The EASTSIDE

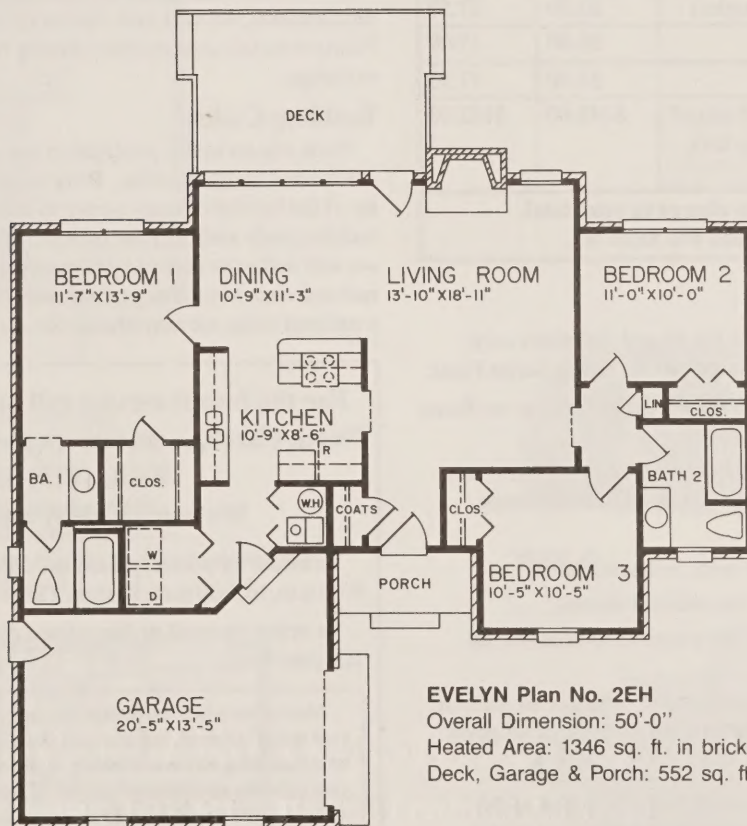

EASTSIDE Plan No. 2EH
 Overall Dimension: 44'-0"
 Heated Area: 1140 sq. ft. in siding
 Porch & Stoop: 105 sq. ft.

EASTSIDE Plan No. 4EH
 Overall Dimension: 48'-0"
 Heated Area: 1254 sq. ft. in siding
 Porch & Stoop: 112 sq. ft.

The EVELYN

Plans include...

...complete working drawings, specification forms, contractor's estimate forms, and contract forms. **Additional sets** for use in building the single structure may be ordered with the first set or within 12 months after you purchase the first set. **Heating layouts** or combination heating/air conditioning layouts may be ordered for oil, gas, or electric power. **Materials lists** specify the items required for construction excluding electrical, plumbing, mechanical, and painting items. Foundation materials are listed for crawl space or basement foundations only, and roof truss materials are listed only when trusses are part of a stock plan. We do not offer materials lists for changed or special plans. **Plumbing schematics** are also available for our plans.

Prices for Plans

In the following list you will see the "Series" to which each plan belongs; please refer to the corresponding prices in the table below.

Series 60

Eagle	Elcott	Encore	Exley	Tandy	Trilby

SHIPPING & HANDLING: Add \$5.75 for 1-4 sets of plans; add \$10.00 for 5 or more sets.				
North Carolina residents please add 6% sales tax.				

Options

The following options are for Series 60, 80 and 100 plans only; please call or write for information on options for Estate Series Plans.

- Standard crawl space foundation as shown in brick veneer on frame or siding exterior walls.
- Basement foundation in the material shown. *Reversed* basement plans are available as a special order for an additional charge.
- Slab foundation.
- Piling foundation. (Please call for price and availability.)
- Reversed plans (right-reading) in the material shown.
- Concrete block exterior wall plans are prepared to order for an additional charge of \$25.00.
- Roof truss diagrams for plans are prepared to order for an additional charge of \$25.00 unless otherwise stated in the plan's description.

Certification

Certification for plans and specifications for submission to the Farmers Home Administration is provided by a Registered Professional Building Designer certified by the American Institute of Building Design. He is qualified to evaluate the technical sufficiency of construction documents for residential properties in the FmHA 502 Housing Program. These plans and specifications are produced by

Standard Homes Plan Service, Inc. in accordance with requirements of Farmers Home Administration (FmHA) Instruction 1924-A.

Certification fee for plans and specifications \$35.00

Exchanges and Refunds

You may return stock plans within ten days for a cash refund or free exchange. After ten days and within one year, you may return *stock plans* that have not been used for construction and exchange them for other stock plans for a \$20.00 exchange fee plus postage and handling. Please note that we will make a refund or exchange only after we have received the entire original order including all sets of plans and related items. Sorry, we do not offer refunds or credits for materials lists that are ordered separately. If you are returning a plan for which you have ordered changes, we will refund the price of the plan *minus* the cost of the changes. *Custom plans* cannot be returned for refund or exchange.

Dimensions

Dimensions shown in this publication are approximate. Figures shown are not intended to be used for firm estimates or actual construction. See our liberal refund policy if you wish to secure plans for an accurate estimate. Heated Area is the square footage as measured from the outside walls and will differ from the figure shown in this publication if you specify an alternate exterior material. Please call to obtain square footage information for plans with alternate exterior material.

Changes to Stock Plans

We will make changes to any design shown in this publication. Please call or write to receive a price quotation for the changes you desire.

Custom Plans

Should you wish to have a custom plan drawn according to your requirements, we will give you an estimate for the plans in advance. Please note that custom plans cannot be returned for refund or exchange.

Building Codes

Plans shown in this publication are drawn to meet nationally recognized building codes. Prior to construction, it is the responsibility of the builder or homeowner to submit these plans to the local building code authority for review. Should the plans fail this review, we will make the necessary corrections in accordance with a specific national code at no charge; however, if a local code should supercede a national code, we may charge for the additional drafting time.

For the fastest service call toll-free 1-800-334-3153.
North Carolina customers please call 1-800-672-3161.
FAX (919) 552-6869.

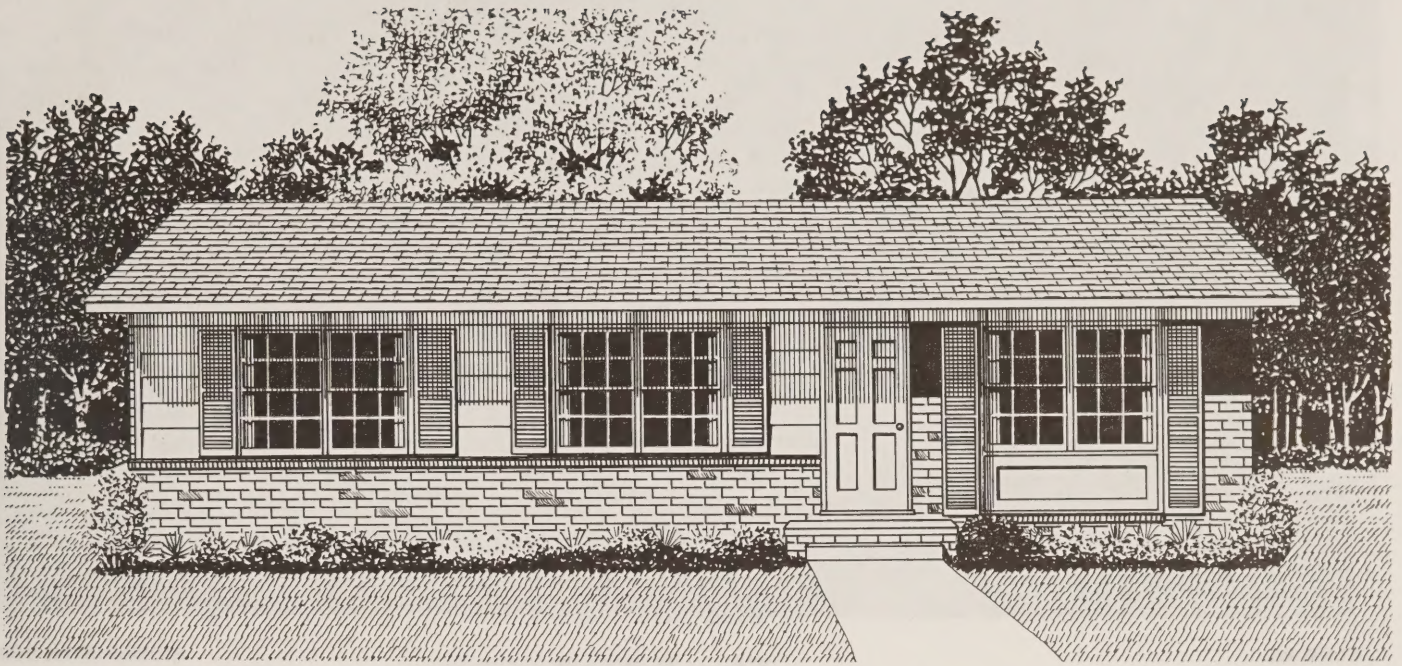

We accept VISA and MasterCard.

To order by phone, please call Monday through Friday from 8:00 a.m. to 5:00 p.m. Eastern Time.

To order by mail or fax, please complete the order form inside this plan book.

Most of our plans are stocked for same-day shipment upon receipt of your order; however, variations on plans shown may require additional time depending on the availability of the options you choose. We will rush your order for an additional \$20.00. Express mailing service is available at the current rates of the express carrier you choose plus \$5.75.

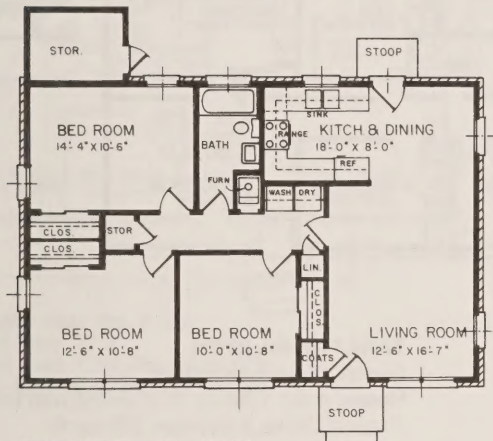

- All designs copyrighted Standard Homes Plan Service, Inc., Fuquay-Varina, NC, and may not be reproduced in any form without express permission.
- Artist's renderings may vary slightly from the working plans.
- Prices are subject to change without prior notice.
